Portland, OR 97239

Questions to ask your insurance company before your appointment We recommend that you do this so that you know your benefits prior to coming in to see Dr. Fletcher. This helps you understand the benefits that are available to you, so that you can make informed choices based on your needs. Please understand that when Skyline Integrative Medicine verifies eligibility and benefits, there may be unprocessed claims that may affect the benefits quoted. Skyline Integrative Medicine can hold no responsibility for quotes, and patient will be responsible for payment of services.
